Dear Paw & Maw,

I haven't time for a letter though I have much to write you both. I'm not over-working; our classes are out-of-doors in gorgeous settings; I am eating in the style to which I have been accustomed and am feeling fine. Our performance takes place Sat. night. The pkg. has not arrived as yet so I don't know what else I'll need.

Keep well & don't worry. Love, Muriel
